

Derived Product

ID	631
Uses ID	1,877
Product Name	Cabbage juice
Product Description	Cabbage juice has been shown to rapidly reduce peptic ulcers and adding cabbage to the diet can reduce the risk of colon, prostate, and breast cancer. Cabbage juice stimulates the production of stomach acid, which is necessary for healthy digestion. Cabbage leaf can also be used as an anti-inflammatory compress and has been used to reduce breast swelling during breast feeding
